***Santa Joana Museum
and Art Nouveau Museum:***

Santa Joana Museum is located in Convento de Jesus and presents a collection of sacred art portraying religious devotion over the centuries, where you'll also be able to explore the cloisters and the Convent's church.

The Art Nouveau Museum, located in Casa Major Pessoa, displays items representing the elegant Art Nouveau artistic style, such as furniture, ceramics, paintings, and jewellery.

This visit provides an immersion in the history, art, and culture of the Aveiro region, becoming unforgettable to all those who visit.

Troncalhada Ecomuseum:

The Troncalhada Ecomuseum grants visitors the opportunity to explore the region's biodiversity and ecosystems. With a vast collection of species, interactive exhibits, and outdoor activities, the museum provides an educational and engaging experience.

In this museum, visitors have the opportunity to learn about the fauna, flora, geology, and history of the region, while reflecting on the importance of environmental conservation. The Troncalhada Ecomuseum is a must-see destination for nature lovers who wish to connect with the diversity of the natural world.
